- **Two Novice events will be held over 4 afternoons in the middle of the tournament** - these are to give players who feel they are not strong enough or do not have the time to play in the major events a chance to play alongside and be part of a serious tournament. These will be played at a time rate of 30 minutes per player for the whole game - and there will be two games per afternoon - the first at 1pm and the second at 2.15pm.

To find out more, **please check our website** - and enter your tournament soon – *be part of something very special that you will remember for the rest of your life!*
