

Public transport

City to Athelstone (Saint Ignatius' College)

Saint Ignatius' College (Senior School) is located in Athlestone (bus stop 32), some seven minutes from the Paradise Interchange and fifteen minutes from Norwood. People boarding in the city are carried along the O-Bahn to the Paradise Interchange in a matter of minutes.

Buses number 178 and 179 (bus stop 32) are the best option if you are using public transport to and from the city, see the route map on:

http://www.adelaidemetro.com.au/routes/timetables/routemaps/178-179-578-579_130108_routemap.pdf

Ticketing information

Metrotickets must be validated on every boarding. This includes when transferring from one service to another and is to be done upon entering each vehicle. Information on [how to validate your Metroticket](#) is available here.

Metrotickets do not have to be purchased on the day of travel.

Each trip on a **Multitrip ZONE ticket** is **valid for 10 trips** and can be used to transfer within the two hour period after the ticket is first validated.

Singletrip ZONE tickets can be used to transfer within the 2 hour period after the ticket is first validated.

Multitrip tickets:

- can be used by more than one person, but not on the same trip (and only if the user is entitled to use that ticket type.)
- have no time restriction as to when all the trips on the ticket must be used.

Expiry Times

Expiry times appear on all Metrotickets in 24 hour clock format.

Passengers should plan their journey and allow enough time within the two hour time frame to transfer between services before their ticket expires.

Replacement Tickets

If your Metroticket has failed to stamp (validate) you may obtain a replacement ticket from the following outlets:

Adelaide Metro InfoCentre
 Cnr. Currie and King William Streets, Adelaide
 8 am - 6 pm Monday to Friday
 9 am - 5 pm Saturday and
 11 am - 4 pm Sunday.

Multitrip Tickets

Multitrip Metrotickets are valid for 10 trips. Multitrip Metrotickets are available from the Adelaide Metro InfoCentre, staffed railway stations, bus depots with a customer service office and Licensed Ticket Vendors (news agents). **Multitrip tickets are not available on board buses, trains and trams.**

Singletrip and Daytrip tickets

Singletrip and Daytrip Metrotickets are available from the Adelaide Metro InfoCentre, staffed railway stations, bus depots with a customer service office, Licensed Ticket Vendors, on board buses and trams and from Ticket Vending Machines on trains. **NOTE: Train Ticket Vending Machines only accept coins, however do not accept 5¢ coins. Two Section Singletrip tickets are not available from Ticket Vending Machines on trains.**

<http://www.adelaidemetro.com.au/ticketing/fares.html#types>

Free transport services

There is a number of free transport services within the city and between the city and North Adelaide. You can travel around the Adelaide city centre for **FREE** when you hop on the **tram** between North Terrace and South Terrace, or the **99C bus**.

<http://www.adelaidemetro.com.au/routes/adfree.html>

- The **99C bus** timetable and the route map:

<http://www.adelaidemetro.com.au/ttsearch.php?action=search&searchtext=99c+&js=1>

- **Tram**

The famed Glenelg tramline was extended in 2007 and now runs between North Terrace in the city, all the way through to beachside **Glenelg**. **Travel within the city centre (anywhere between North Terrace and the South Terrace stop) is free**. If you'd like to travel on to Glenelg, you'll need to purchase a ticket.

<http://www.adelaidemetro.com.au/routes/terrace.html>

You can find all route and timetable information on the [Adelaide Metro website](#).

- **The Adelaide Connector Free Bus Service**

This bus service is a convenient link between the major facilities within North Adelaide and Adelaide city. The service operates 7 days a week (except public holidays). Mondays to Thursdays it runs between 8am and 6pm, on Fridays between 8am and 9.30pm, on Saturdays and Sundays between 10am and 5pm.

http://www.cityofadelaide.com.au/adccbrandwr/_assets/main/lib60107/adelaide_connector.pdf

For more information, see the [Adelaide City Council website](#).

- **Tindo - the world's first solar-powered electric bus**

The world's first solar-powered electric bus is a new addition to the Adelaide Connector Bus service. The bus is also carbon neutral. The air-conditioned solar electric bus can carry up to 42 passengers. Tindo travels through the Adelaide city centre and North Adelaide. For more information, see the [Adelaide City Council website](#).

Vans and minibuses

Des's Minibus Fleet

Des's Minibus is owned and operated in South Australia and boasts a modern fleet.

These include some 7 seat vans for corporate work and touring.

The buses range from 7-24 seat vehicles. All fully air-conditioned.
